ALL TOOL RENTALS ARE FOR SEVEN (7) DAYS

(DOES NOT INCLUDE SHIPPING TIME)

You must specify the caliber and type of pilot on piloted tools. On the facing tools that come in various diameters it is the client's responsibility to state the diameter of the tool as well.

Orders placed online with a card are charged at the time the order is processed. Deposits (repair/replace) fees are not charged but are shown so that you know your responsibility if the tools are lost or damaged.

When ordering by phone, fax, or email rentals will be billed via electronic invoice. This invoice must be paid prior to tools shipping. In all rental methods if a tool is damaged, lost or broken; your card on file will be billed for the rental fee plus a repair or replacement fee whichever is less.

Deposits will be forfeited on damaged tools but if the repair cost is less than the deposit you will be refunded the difference. Not Returning the tool will also result in a forfeiture of the deposit value up to a maximum of three (3) times the replacement cost of the tool; you will still be charged a rental fee. Repair / replacement costs are always in addition to the rental fees. If you order with a credit or debit card you are also agreeing that if tools are lost or damaged in the process of the transaction 4D Reamer Rentals LTD. Has the right to charge your card for the repairs, replacement, or the full deposit values published on our price list and website.

Ordering tools from a mail order rental agency is no different than renting tools from your local tool and machine rental company. You are responsible for the tools and are paying for the time that they are out of our inventory as no other client can have the benefit of their use while in your possession.

TOOLS ARE EXPECTED BACK IN OUR FACILITY SEVENTEEN (17) DAYS FROM THE DATE WE SHIPPED THEM TO YOU. This allows plenty of mail time in both directions. **Going to be late? Let us know we will work with you. We charge ½ (one half) of the rental fees for a second week. YOU MUST CONTACT US FIRST failure to do so will result in an overdue fee of 1x (one times) the rental fee!**

Note: The complete rental agreement is posted on our website so that you can review the complete agreement at any time. You are welcome to a printed copy of the agreement as well or email: Reamers@4DRentals.com and ask for a copy of the rental agreement, we will be glad to supply you with one.
